

"The commitment to their clients and their knowledge of real estate law led us to retain The Gallagher Law Firm as claims counsel for First American Title. They have resolved numerous claims on behalf of First American Title and its insureds, and have done so expeditiously and in a cost-efficient manner.

The Gallagher Law Firm has also acted in a consultative role for our National Commercial Services (NCS) division. Their knowledge of the real estate community, its players and customs have helped the NCS department tremendously with business development in Michigan. It is a sincere pleasure to work with professionals and their amazing team at The Gallagher Law Firm."
